

John David Autry
Portfolio 2020

Logo design/Graphic Design/Illustrator/Painter

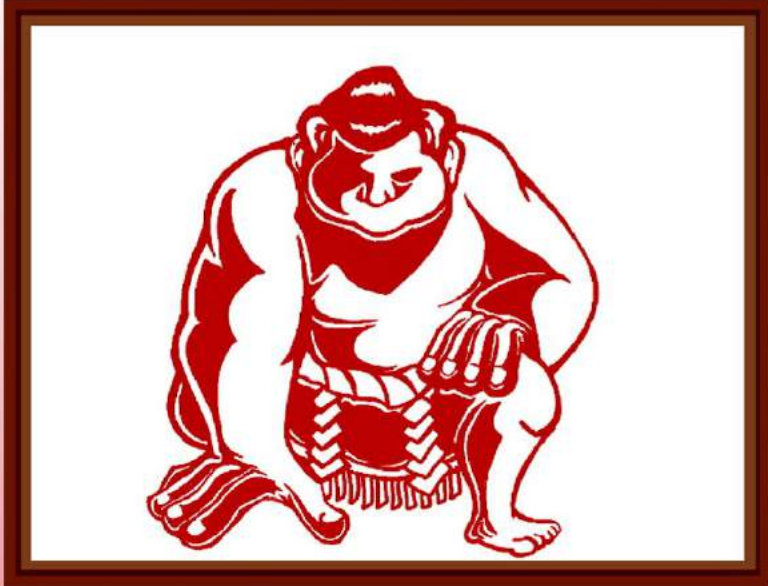

Biography:

Throughout my entire life, I have always been infatuated with the arts and in drawing. Beginning my first steps in entering the professional field of art and graphic design. I am open to learn many techniques and new experiences to increase my repertoire. I anticipate learning different mediums involving culture, science, media, etc.

During my time in college, I have taken the duty in handling multiple positions for our Japanese Language and Culture Club in order to spread and encourage Japan's culture and language learning. I not only produced all of the designs for advertising various events but took charge in setting up said events and treasury.

Skill Set:

- 10+ years of drawing/painting
- 3+ years of experience in logo/graphic design.
- Knowledge in software programs such as GIMP, Inkscape, and Paint Tool Sai. Use Microsoft Powerpoint, Word, and Excel.
- Bachelor of Arts in Japanese Language and Literature from Oakland University.
