

EUGENE POLISHCHUK

I am a hardworking graphic designer with a keen eye for even the smallest of details. I am highly skilled in the technical aspects of design and am extremely knowledgeable about all the necessary tools and programs. During my career I've gained experience creating brand identities, apparel designs, marketing materials and all types of layout designs. I work well with deadlines, in teams and solo. I hope to apply these experiences to forthcoming positions.

EXPERIENCE

Assistant Graphic Designer at Intradeco Apparel Inc. 2019 - Present

- Creating original apparel designs for Boys and Toddlers.
- Rendering and laying out 3D CADs for presentations.
- Trending the market for upcoming projects.
