BFA, Advertising and Graphic Design with Business Minor

Capstone: FAB: Fashion and the Brain

Columbus College of Art & Design-2020

references

Available upon request.

I'm a graphic designer and cat mom who enjoys creating strong brand identities, designing for web and print, taking photos, and making cute and bright illustrations. I'm optimistic, organized, detail-oriented, and eager to work hard and learn new techniques as I go.

experience

Freelance Design and Illustration: 2015–Present

- Various commissioned character illustrations from 2015–present through my brand, Bunfetti
- Logo, branding, and web design for Stem Floral Studios in Columbus, OH
- Logo and branding for Clear Star Studios in Troy, New York
- Initial book cover design for *It's all Paranormal* by Scott Miller
- Photo editing and product mockups for a master's thesis project by Kira Henderson

Admissions Student Ambassador: March 2017–March 2020

Columbus College of Art & Design–Columbus, OH

- Data entry for student information from recruitment events and tours
- General office aid tasks (filing, scanning, mailings, etc)
- Campus Tour Guide from August 2017–January 2018
- Assisted in preparations and worked events including Admitted Students Day (2017–2019) and National Portfolio Day (2018)

Keychain Assembly: October 2018

These are Things–Columbus, OH

- Briefly assembled and packaged enamel keychains
