K J Somaiya College of Engineering

(A Self-financed Autonomous College Affiliated to University of Mumbai)

25th February, 2020

To,

Mr Darshan Gandhi,

On behalf of K.J. Somaiya College of Engineering, I would like to extend our sincerest gratitude and appreciation for the work that you have put in as the **Joint General Secretary - Logistics** of the KJSCE Students' Council, in the academic year 2018-19.

For all the national-level college festivals throughout the year, Abhiyantriki (technical), Skream(Sports) and Symphony (cultural), members of the Students' Council are the organisers. The team invests extra effort outside of the curriculum to ensure that every college event is splendid. A team of talented and hardworking individuals, working round the clock with utmost dedication. Apart from these three festivals, you have successfully organised the maiden edition of Parvaah ecoRun (marathon organised to raise the issue of zero waste community) during your tenure.

At K.J. Somaiya College of Engineering, we promote growth and ideas in all fields. Be it technical or otherwise, we believe in nurturing and enhancing the skill set of each student. Thus, helping them perceive a picture in the area of their interest. Your performances throughout the year were very well received, and I appreciate your talent and efforts.

Your support to the various college events and initiatives is laudable, and I wholeheartedly appreciate it. Under your capable leadership, the ethos of all the teams of KJSCE Students' Council was sustainable. The logistics requirement of all events met correctly because of your efforts. Your resourcefulness and great negotiation skills in managing the logistical requirements of the aforementioned festivals and all other events of the Students' Council have been exemplary. You were attentive to details while dealing with vendors and showed great presence of mind in tackling obstacles. Not only did you make each event a grand success but have indeed set a high benchmark for successors to follow. You have worked with supreme devotion, adhering to the ethics and the work culture. Your contribution to the overall development of the college and Students' Council shall never be forgotten.

I wish you all the very best for your future endeavours.

Dr Shubha Pandit,
Principal,
K.J. Somaiya College of Engineering
Vidyavihar East,
Mumbai - 400 077
