To Whom It May Concern,

I am writing this letter of recommendation for Patricia Payne for their work as a document translator. They have been translating for Rev since 2011 as a member of our Spanish translation team. They have translated various documents such as; government forms, marketing materials, company contracts, and literary works. These documents ranged from literal to figurative translations.

In their work ethic, they displayed meticulous attention to detail and prompt action to tight deadlines and necessary edits. Patricia has a strong command of the English language and is someone well worth full consideration for all of your translation needs.

Sincerely,
Kelley Toker
